Websteriana

Melanophloia

Ball **CutFlowers** is pleased to bring forth collections to make decision making and growing easy.

Field grown favorites chosen for your success!

Ordered exclusively through Ball Seed and Ball ColorLink.

The Eucalyptus Collection

- Silver Dollar- always a favorite with rounded silver-blue foliage perfect for bouquets.
- Baby Blue- a standard in quality foliage with rounded leaves and silver blue color from juvenile growth to maturity.
- Silver Leaved Mountain Gum- grows taller than Baby Blue with larger foliage.
- Poplunea- large oval leaves with a copper color makes this a must have.
- Websteriana- heart-shaped leaves set this eucalyptus apart!
- Melanophloia- pale grey/blue green leaves, grow in opposite pairs, with egg shaped foliage.

Six-tray collection supplied by Gro N' Sell.

- Available weeks 14 & 18, 2025.
- One tray each variety included in the collection- plug 128.
- 125 plug guarantee per variety

Exclusive Collections Brought to You by **Ball CutFlowers**

Pink & Red Shades

Helichrysum bracteatum
'King Size Silvery Rose'

Celosia spicata
Xantippe

Trachymene coerulea
Lace Pink

Knautia macedonica
Red Cherries

Limonium suworowii
Pink Pokers

Phlox drummondii
Tapestry Fieldgrown Mix

- *Helichrysum King Size Silvery Rose*- large pink tinged rose flowers with silvery white highlights. Truly stunning!
- *Celosia Xantippe*- blush pink flower spikes fading to silver, highly productive for fresh and dried flower use.
- *Trachymene Lace Pink*- elegant! Delicate in appearance but with a long vase life making this an excellent cut flower.
- *Knautia Red Cherries*- easier to grow with lower water needs and perennial to zone 5b.
- *Limonium Pink Pokers*- an almost mythical flower! Easy to harvest as leaves are mostly basal, less leaves to strip away!
- *Phlox Tapestry Fieldgrown Mix*- unique colors with contrasting darker eyes!

Six-tray collection supplied by Gro N' Sell
