

## Promote The NEW Kitchen Minis® Collection In Store And On Social With FREE Sales Resources From PanAmerican Seed®

**PanAmerican Seed launches a comprehensive promotional package for growers and retailers to help sell the NEW Kitchen Minis collection of potted vegetable plants.**

**WEST CHICAGO, ILLINOIS, May 2021:** To help greenhouse and retail customers sell and raise awareness for the [Kitchen Minis collection](#) of edible potted vegetable plants, PanAmerican Seed has launched a FREE package of promotional sales tools that includes downloadable signage, ready-to-post social content, video commercials and more. These helpful resources will build excitement for Kitchen Minis and introduce consumers to a fun new way to enjoy vegetables.

“Our launch of the Kitchen Minis collection of edible potted vegetables is now enhanced with this full promotional package,” says **Claire Josephson**, Marketing Manager for PanAmerican Seed. “Growers and retailers can use these marketing resources however they like to help their sell-thru, encourage visibility in stores, and enrich their outbound customer communications.”

The new Kitchen Minis collection includes ready-grown and fruiting compact potted vegetable plants that consumers can place inside on a sunny windowsill or counter without any garden space. They can also be placed outside as a tabletop patio variety. Kitchen Minis make it possible for consumers to enjoy their own homegrown vegetables regularly, with each plant’s harvest lasting about a month.

The full package of Kitchen Minis retail tools drive home the message of Buy. Eat. Repeat. And keep customers coming back for more. The marketing resources are available now online at [www.panamseed.com/kitchenminis](http://www.panamseed.com/kitchenminis) where you’ll find...
